As our 20th year draws to a close, we thank you for your support in helping us realize our dream of creating a legacy of dances that have enriched our community. As we enter our second 20 years, we hope that you will continue to dance beside us, ushering in a new legacy of dance in Hawaii.

One of our biggest dreams is that of a home for IONA that connects the Company to local and global communities. We hope to bring this dream to life in 2011 with your support.

"IONA makes the impossible come to life and moves you to believe that anything is possible! If IONA had a studio to work more regularly, just think of what could happen!"

A new home for IONA would provide a much needed space to rehearse and showcase our work, strengthen the dance community, and bolster a strong core of dancers who are the body of IONA."

Maile Baran Primacio is one of the IONA Muses. She has danced with the Company since 1997 and is portrayed here as Flower Power from 'Lemuria', October 2010.

During these challenging economic times, the arts are struggling financially more than any other non-profit field. Your generous support will help IONA endure and continue to enrich the lives of so many. Please help us meet our ever-growing economic challenges by renewing or increasing your tax-deductible contribution.

In a world of all possibilities, You make IONA possible.

Mahalo for your support,

Cheryl Flaharty
